

Convuluted Tubing, 3/8 inch

INSTALLATION INSTRUCTIONS

⚠ WARNING: The attachment and installation of this product is beyond the control of Winston Products, LLC. Winston Products, LLC is not responsible for the attachment or the installation of this product. Winston Products, LLC is not liable for damages and/or injuries that are the result of improper use/attachment or are the result of use beyond the intended towing application. The liability of this product is limited to the purchase price if it proves to be defective in material and/or workmanship. Any and all warranties, explicit or implied, are void if the product is damaged or worn.

- Cover up and protect your wires from debris.
- Split wire looms allow for the addition or removal of cables without disassembly.
 - 3/8 inch diameter
 - 10 foot length
- Resistant to abrasion, cleaning solvents, gasoline, oil and other chemicals.
- Ideal solution in applications where ease of installation is of primary importance.
- Wire split loom may be used for automotive and industrial wire harnesses, marine wire protection, efficient harness assembly, wire and cable environment protection, easy breakouts for custom installations, and abrasion protection.
