

## Quick Mount Reflectors

### INSTALLATION INSTRUCTIONS

#### READ ALL WARNINGS AND INSTRUCTIONS BEFORE INSTALLATION

**⚠ WARNING:** The attachment and installation of this product is beyond the control of Winston Products, LLC. Winston Products, LLC is not responsible for the attachment or the installation of this product. Winston Products, LLC is not liable for damages and/or injuries that are the result of improper use/attachment or are the result of use beyond the intended towing application. The liability of this product is limited to the purchase price if it proves to be defective in material and/or workmanship. Any and all warranties, explicit or implied, are void if the product is damaged or worn.

**⚠ WARNING:** Consult vehicle and trailer owner's manual before installation. Check for sensors, wires, or components behind the mounting surface prior to installation.

#### INSTALLATION INSTRUCTIONS

##### For adhesive mounting:

1. Select suitable mounting location.
2. Clean the mounting location surface of dirt, grease, debris.
3. Remove the adhesive film from the adhesive pad on the back of the reflector.
4. Firmly press the reflector into place.

##### For fastener mounting:

1. Select suitable mounting location.
2. Mark the two outside mounting holes and drill holes.
3. Securely mount the reflector to the vehicle.
